

## **SILK T-SHIRT FEMALE 2018 SPRING AND SUMMER**

**\$57.50**

92% Silk, 8% spandex T-shirt

Color Classification: White, navy, hunter, deep red

Please allow 30 days delivery window

Call out: We also call silk fabric the “second skin” as silk is protein, which is the same as our skin. Silk keeps you cool in the summer and warm in the winter, this is how silk worms can survive in a cocoon throughout all seasons. Silk can be hand washed in water with mild-soap

and can be drip-dried on a hanger without twisting out the water. Enjoy this luxury fabric.
